

# About Me

Born a 'Hawaiian cowgirl', I've lived in 7 different states. From sailing (I love Tall Ships!) to H/J trainer, to riding fine reining bred horses, I have a lot of passions. I also love to sing!

My family has been in real estate long before I knew it; it may be genetic.

As an Information Technology admin for many years, I came to understand what people of all 'levels' in my company really needed. It was always the same:

***responsiveness, respect, solutions, empathy and a smile.***

Real Estate is exactly the same. My clients rely on my ability to research what's needed and desired, find solutions when they're needed, and feel what they are feeling. I make sure that we get the best result for you we can, and keep a calm perspective.

I am a real person, and you are not a number, or a \$ sign to me. I don't count you in sales spreadsheets, nor want your listing simply to win an award as 'Top Producer'. I like to choose my clients, as they like to choose their agent who represents them.

Let's get to know each other, and we can make our decision mutual!

*A Life well spent is a life helping others to a good life..*

Born in Hawaii, learned to swim practically before I walked! Then I found out my aunt was a 1945 Olympic swimmer...

I learned the true meaning of love and dedication upon my son's arrival in this world..

Learned to sail a boat before I learned to drive. Sailing is a calming yet focusing sport.

I prefer warm climates, though snow can be fun once in awhile

I love the outdoors, and lots of sky...and beautiful clouds
